26557124	37063286	98	Grammar: the grammar doesn't support '!
38847588	201547510	94	Grammar: 1. Failed to enforce singular / plural agreement mistakes 2. Failed to parse 'Sally is fine', the grammar doesn't generalize the example 'Sally is lazy'. 3. The grammar doesn't generate sentences where the word 'lazy' appears before noun (i.e 'the lazy chief of staff wanted a pickle') .
39128871	300995776	70	Grammar: grammar includes non-terminals that can't be derived
43023662	200327914	92	Grammar: 1. There is a typo in the grammar (perp instead of prep). 2. The grammar doesn't support the prepositions "With," (i.e Sally with the president ate every fine delicious pickle !) 3. The grammar doesn't support the word choose (and therefore fails to parse all the plural / singular examples, including the examples given in the assignment! 4. Relative clauses - failed to handle cases where the relative clause is located in the middle of the sentence
43362151	304389463	96	Grammar: 1. Singular vs. plural agreement - Failed to generate the third example (i.e the president and the chief of staff choose the sandwich .) 2. Relative clauses - failed to handle cases where the relative clause is located in the middle of the sentence.
200753341	321031932	88	Grammar: 1. The grammar doesn't support the prepositions "With," (i.e Sally with the president ate every fine delicious pickle !) 2. The grammar doesn't support conjunction of plural and singular (i.e 'the citizens and Sally choose the president !') 3. The grammar doesn't support sentences where 'chooses' appear after nouns (only noun phrases). 4. the grammar doesn't allow the word Sally to appear after the word perplexed (i.e it perplexed Sally that the president kissed a sandwich .) CKY: The parser crashes when parsing unknown words .
200831618	200954675	100	--
200932648	302868898	92	Grammar: 1. the grammar doesn't generate two of the examples presented in the assignment (Sally is eating every sandwich , it perplexed the president that a sandwich ate Sally .), while supporting the negative example (the president thought that a sandwich sighed a pickle). The grammar fails to generalize those examples as well.
201325644	203828496	100	--

203056585	204085948	100	--

203711494	312484769		Grammar: 1. Failed to generalize example (g) in section 2 (prepositional phrases). 2. The grammar doesn't support multiple adjectives after the word 'very' (i.e Sally is eating a very fine delicious president .) 3. The grammar doesn't support the prepositions "With," (i.e Sally with the president ate every fine delicious pickle !)
		95	
	302764956		Grammar 1. The grammar doesn't support conjunction of plural and singular (i.e 'the citizens and Sally choose the president !') . 2. The grammar manage to generate sentences where there is no plural/singular agreement (Sally and Sally chooses Sally, every pickle and a sandwich chooses the fine proposal and the pickle) 3. The grammar manage to generate sentences where the relative clause doesn't refer to any object or subject (i.e the chief of staff that Sally ate a pickle)
204336747		94	
206335283	304856529		Grammar: 1. The grammar doesn't support multiple conjunctions (i.e the chief of staff and the president and Sally ate and wanted a sandwich !)
			2. The grammar doesn't support conjunction of plural and singular (i.e 'the citizens and Sally choose the president !') . 3. The grammar doesn't support every verb phrase after conjunction (i.e 'a pickle and the chief of staff sighed .')) 4. Singular vs. plural agreement - Failed to generalize the third example (x and x plural-verb ...). The grammar supports negative examples (i.e a sandwich and Sally chooses the president .)
		92	
300094836	311156442		Grammar: 1. The grammar doesn't support multiple conjunctions (i.e the chief of staff and the president and Sally ate and wanted a sandwich !)
			2. Relative clauses - failed to handle cases where the relative clause is located in the middle of the sentence 3. Singular vs. plural agreement -
		94	Failed to generalize the third example (x and x plural-verb ...).
	203169271		Grammar: 1. the grammar doesn't support adjective before nonu phrases (i.e the lazy cheif of staff...) . 2. the grammar doesn't support the word choose before nounes (i.e the president chooses Sally).
300461605		96	
300611878	300360310	100	--
300668472			Grammar: 1. There is a typo in the grammar (DetNoun instead of Noun). 2. The grammar failed to parse sentences with the word 'very' (the parser fails to parse exampels from the assignment) CKY: The cky parser failed to parse some of the sentences - the parser reads 'Sally' as 'sally' .
	304827702	93	

300719002	300427200	87	Grammar: 1. Failed to parse 'Sally is fine', the grammar doesn't generalize the example 'Sally is lazy'. 2. The grammar doesn't support multiple conjunctions (i.e the chief of staff and the president and Sally ate and wanted a sandwich !) 3. The grammar doesn't recognize the word 'Lazy' as an adjective (i.e 'The lazy president...'). 4. The grammar doesn't allow nouns after the word perplexed (i.e it perplexes Sally...). 5. The grammar doesn't support the prepositions "With," (i.e Sally with the president ate every fine delicious pickle !) 6. Relative clauses - failed to handle cases where the relative clause is located in the middle of the sentence 7. The grammar doesn't support every verb phrase after conjunction (i.e 'a pickle and the chief of staff sighed .')
300947454	301747390	90	Grammar: 1. Missing ROOT rule! . 2. The grammar doesn't enforce all the caese of plural-singular agreement (the grammar can generate the sentnce "every pickle and a sandwich chooses the fine proposal and the pickle ." 3. The grammar doesn't support multiple conjunction (i.e 'the president and Sally and ...) 4. the grammar fails to generate the sentence 'it perplexed Sally that the president kissed a sandwich .' (maybe bacsue it doesn't support the word 'that' after Sally?). 5. Failed to support plural and singular conjunction (i.e the citizens and Sally...) .
301044657	300464898	100	--
301221917	300370129	88	Grammar: 1. the grammar doesn't support nounes before 'chooses' (i.e Sally chooses...) 2. The grammar doesn't support '!' 3. Relative clauses - failed to handle cases where the relative clause is located in the middle of the sentence. 4 The grammar doesn't support the prepositions "With," (i.e Sally with the president ate every fine delicious pickle !) 5. The grammar dosn't support realtive clause after choose (i.e Sally chooses the president that ate a sandwich .) CKY: The parser returns an error when trying to parse: 'Sally with the president ate every fine delicious pickle'
301803862	201268018	100	--
301804191	200375152	90	Grammar: 1. The grammar doesn't support the symbol '!' 2. the grammar doesn't support multiple conjunction (i.e the president and Sally and the ...) 3. the grammar doesn't support conjunction of plural and singular (i.e the citizens and the chief of staff ate the sandwich . 4. Relative clauses - failed to handle cases where the relative clause is located in the middle of the sentence. Cky: 1. the tree is represented with some extra clasues (the tree structure is OK, but there are some redundant tree nodes)
302026315	323624437	96	Grammar: 1. The grammar doesn't support multiple conjunctions (i.e the chief of staff and the president and Sally ate and wanted a sandwich !) 2. The grammar doesn't support conjunction of plural and singular (i.e 'the citizens and Sally choose the president !') .

305616872	308018571	98	Grammar: 1. the grammar generates a relative clause that doesn't relate to either the object or the subject (i.e Sally chooses the president that Sally kissed the sandwich .)
308059401	302277041	98	Grammar: The grammar doesn't enforce plural and singular agreement (i.e the grammar generates 'Sally and Sally chooses Sally' .)
308134048	302626684	100	--
308275965	38354213	94	Grammar: 1. the grammar doesn't support conjunction of plural and singular (i.e the citizens and the chief of staff ate the sandwich .) 2. the grammar doesn't support multiple conjunction (i.e the president and Sally and the ...) Cky: 1. the tree is represented with some extra clauses (the tree structure is OK, but there are some redundant tree nodes)
300734530	301635421	94	Grammar: 1. The grammar doesn't support conjunction of plural and singular (i.e 'the citizens and Sally choose the president !') . 2. The grammar generates relative clause that doesn't relate to any object or subject (i.e the chief of staff that Sally ate a pickle .) 3. The grammar doesn't enforce plural and singular agreement (i.e the grammar generates 'Sally and Sally chooses Sally' .)
38775664		96	Grammar: 1. the grammar doesn't support conjunction of plural and singular (i.e the citizens and the chief of staff ate the sandwich .) 2. The grammar doesn't enforce plural and singular agreement (i.e the grammar generates 'Sally and Sally chooses Sally' .)
